4. I am very doubtful if the decision of the Chief Court in the case cited can be safely followed as a correct exposition of law. But the present Notn may be issued although we have not the same authority of an Act as in Br. India.

5 Paras 2 & 3 are quite enforceable as the Arms Regns would be applicable to Germans & Austrians. The 1st para casts an imperative duty but no penalty is mentioned. A question of legality is not therefore likely to arise for decision. The 4th para is mere advice.

The Dewan of Mysore

Dated Bangalore, 14th August 1914

SIR,

I With a view to the registration and control of non-Asiatic & Foreigners the Government of India have found it necessary to take action in British India under the Foreigner's Act of 1864. The situation is not such as to necessitate the adoption by the Mysore Darbar of legislation in accordance with that Act, nor does the Resident propose to advocate the application of the Act to the Civil and Military Station. It is however essential that immediate executive action should be taken on similar lines and I am to forward to you a copy of a notification which the Resident has issued in regard to the Civil and Military Station for ~~necessary action~~ information. The Resident trusts that the Durbar will at once issue a similar notification in regard to Mysore and authorise District Magistrates to take the necessary action.

2.

R. O. 2.—R. P. B.—7-1914.—1,000.

2. I am to say that at the time of registration all non-Asiatic Foreigners should be warned that they must not communicate -- information whether military, naval or of any other kind and that they will be liable to expulsion if they infringe this or any of the orders contained in the notification. The register should specify the name, nationality, the place from which he has come, the place or places of his destination, the object of his pursuit and the date of his arrival in the case of each foreigner and the entry should be signed by the person reporting himself. If it is thought expedient, such persons may be called upon to report themselves periodically. I am to add that the above provisions should not be extended to any minister, consul or vice-consul -- accredited by his Government, to any person under the age of 14, or to any person in the service of His Majesty the King Emperor. It would however be advisable to note in the register whether a person is married or single and has any family.

3. An explanation of the provisions of the Foreigners Act should be given to all Germans and Austrians and in the case of other non-Asiatic Foreigners, whether naturalized British subjects or not, advice should be given to them to furnish themselves with properly authenticated nationality papers, if they wish to travel.

4. The proceedings must be effective, but every endeavour -- should be made to render them as little irksome as possible, and in the case of friendly foreigners, the greatest care should be taken to avoid hurting their feelings. Police supervision should however be established over all Germans and Austrians in as -- secret a manner as possible and any suspicious movements on their part should be reported at once.

5. I am to request that copies of the lists of aliens should be at once extracted from the registers and forwarded to this office for communication to the Military authorities and I am to observe that any military orders in respect to hostile reservists and -- possible combatants are not affected by these instructions though

Vide my letter No. 5474 dated 10th August 1914.

though the restrictions set forth above apply to them also.

I have the honour to be,

Sir,

Your most obedient servant,

First Assistant Resident.

With reference to your telegram dated 27th August 1914 intimating that a week is too long a period for submitting the list of Non-Asiatic foreigners etc as per Government order 533-41 dated 25th August 1914, I have the honor to state that immediate action has been taken to collect information from all the Taluks and that the list will be submitted to Government as soon as they are received here.

It is learnt at present that there are no Non-Asiatic foreigners in the marginally noted Taluks of this District. As there is no telegraphic communication to the Head Quarters of the other 3 Taluks, there will be a delay of about 3 days in submitting the information Urgent orders have again been issued to each of these Taluks to submit the information immediately.

Sir,

I have the honour to state that as per para.1 of Government Notification No. J.523/16-14-3 of the 25th instant, the non-Asiati Foreigners residing or passing through the Districts have to report themselves to the District Magistrate and register their names before him. As the Deputy Commissioner who is also the District Magistrate, has to be away in camp now and again and in view of the approaching Dussara Session when he will be away at Mysore for the Durbars, the Foreigners who may arrive just then may find it inconvenient to go to the place where the District Magistrate may then be camping. It is therefore suggested that so far as this District is concerned the City Magistrate of Bangalore may be kindly authorised to register the names of Foreigners during my absence from Head Quarters as this will greatly facilitate the work with the least possible inconvenience to the Foreigners concerned. Early orders are solicited.

I have the honour to be,

Dear Narasimhachar,

Dear Mr. Warburton,

In continuation of my last letter forwarding a supplemental list of Germans in the State, I hasten to send enclosed a Memorandum regarding one Mr. Louis Stromeyer, who also would seem to be a German.

Yours sincerely,

Sd/ C. Srikantesvara Aiyar.

P. B. Warburton, Esqr., I.C.S.,
1st Assistant to the Hon'ble the Resident in Mysore.

CONFIDENTIAL.

Memorandum.

Mr. Louis Stromeyer, Farmer, Single, age 47, height 5' 7".

One Mr. Louis Stromeyer, who was formerly doing some prospecting work on the Kolar Gold Fields, has for some time been residing in his farm near Kengeri in the Bangalore Taluk. He had said he was an Englishman. On information received from Kolar Gold Fields that he was born in England of German parents of whom it was not known whether they had become naturalized British subjects or not, Mr. Stromeyer was further interviewed by the Police yesterday, when he admitted that both his parents were Germans and they went to England about the year 1860, before he was born, that they must have become naturalized British subjects but that he is unable to give any proof thereof, and that to his knowledge they never went back to Germany.

His father's name was Charles Stromeyer, and his mother's Louisa - her maiden name he is not able to give.

He also said he had received a letter about 2 weeks ago from his sister, one Mrs. Thompson, in London, saying that her son (Thomas Thompson) is in the British army, and 3 sons of his brother (F. Stromeyer) in the navy. He could not find the letter to show it.

Having been confined to bed with a bad abcess on his foot owing to a thorn having got in, he is not able to move out of his house, and the District Magistrate has therefore arranged to get the prescribed declaration from him at Kengeri itself and to disarm him, the onus of proving that he is not a German lying on him.

Sir,

With reference to your letter No. P.3607 dated the 12th. instant requesting that the nationality to which Mr.G.M.Frattini belongs may be ascertained and reported without delay, I have the honor to state that when I sent to Mr.Frattini for his information extracts from Notification No.J 523/Pol 14-14-1 dated 25-8-1914,he returned the same stating that he was " a born Englishman and not a foreigner " . As Frattini was an Italian name, I called upon him (No. Mis 646 dated 4-9-1914) to send me his nationality papers, if any, and if he had not got them here to get the same. Mr.Frattini in his letter dated 13-9-1914 replied that he had not the nationality papers here,but had written to England by last Mail to obtain them and that he will forward them to me as soon as they arrive.

I waited till 24-9-1914 and considering that it will take some time to get the papers from England and that as the onus of proving

his nationality lay upon Mr.Frattini under the Regulation, I wrote to him on the same date to send me,in the meantime, his Baptismal certificate if the same was with him or to refer me to any of his friends or official superiors. I have not as yet received any reply from Mr.Frattini,which I am expecting daily.

Sir,

I have the honor to state that a man by the name of Albert Klein representing himself to be a Frenchman came to the Kolar Gold Fields on the 18th September last, and obtained employment on the Oorgaum Mine as an Engineer. He was duly registered as a non-asiatic foreigner and given the usual registration certificate.

As I had some doubts about this man's bonafides I sent for him yesterday with a view to ascertain more about him.

He appears to have been in India for the last 14 years, and has been employed in several places under different firms in the Madras Presidency.

I asked him to show me what papers he had to prove that he is a Frenchman.

The only document that he could produce was a "continuous discharge certificate" from the Mercantile Marine in which his name is entered, and the year and

12

place of birth.

According to this document, he was born in the year 1871 at Belfort which is a French Town close to the German frontier. He has no other documents to show, except the usual certificates he has obtained from the different firms under which he has worked.

Klein tells me that he left home at the age of 16, and led a sea-faring life till he came to India 14 years ago. He married in India and has four children. His wife and children are in Bangalore. He states that his father was a Captain in the French Cavalry. He talks English, French, German and Italian, but his accent is decidedly German. Klein is, I think, a German name, certainly not French, though it may be Swiss.

I am myself not satisfied that he is a Frenchman, and therefore make this report to Government.

I may add that he appears to have come here from Cochin without having been registered there or anywhere else on the way.

I have the honor to be,

Sir,

Your most obedient servant,

and to state that the District Magistrate of Madura has since reported that, feeling doubtful as to the bona fides of this individual he made further enquiries personally about him and has not been able to satisfy himself of the truth of the alleged nationality of the man.

It appears that the only document Albert Klein could produce was a "continuous discharge certificate" from the Mercantile Marine in which his name is mentioned and that according to it he was born in the year '6 at Belfort, a French town on the German frontier. He seems to have been in India for the last 15 years & to have been employed in several places under various firms in the Madras Presidency. In continuation of my letter No.C.111 dated 28th instant, regarding Albert Klein suspected of being a German and now residing on the Kolar Gold Fields, I beg to report for the information of Government a few more particulars that I have ascertained.

2. Klein states that he does not know his mother's maiden name, and that his father was killed at Belfort during the War in 1870. He was adopted by a Mrs. Louise Klein who brought him up and had him educated in Paris. By religion, he was a Roman Catholic, but on his marriage with Emily Grogan in Ceylon in October 1902, he joined the Church of England.

3. His children have been named Marcella, Rennie, Arthur and Leslie. The address of his wife is

5. Pettigrew Street,

4. Klein says that reference can be made regarding him to:-

(i) Mr. V. Oberan

(ii) Mr. G.B. Mc Cloughlin,

Serial No. 335

Dear Narasimhachar

I send enclosed a copy of a Note which I have this day sent to Mr. Warburton, regarding one Albert Klein, about whom Mr. Bowring has also reported officially to Government.

Yours sincerely

C. Sankaranarayana

CONFIDENTIAL.

Enclosure 335

(120)

RE - ALBERT KLEIN.

One Albert Klein, representing himself to be a Frenchman, arrived on the Kolar Gold Fields on the 18th September 1914 and obtained employment on the Oorgaum Mine as an Engineer. He was registered as a non-Asiatic foreigner and given the usual registration certificate.

Some doubts, however, arising regarding his bona fides, the District Magistrate Mr. Bowring sent for him on the 27th instant, and elicited that Klein has been in India for the last 14 years and employed in several places in different firms in the Madras Presidency; e.g.

(1) in Drainage Works of Hullsdorf Hills, Colombo
(2) in Pamban Reef Works for 2½ years;
(3) in Municipal Office, Trichinopoly as Head of Water Works from 7th May to 28th October 1912;
(4) in North Anantapur Gold Mines, as General Foreman, for 9 months;
(5) in Cannanor Central Jail etc etc.

The only important document in his possession is a "continuous discharge certificate" from the Mercantile Marine in which his name is entered, as also the year and place of his birth. According to this document, he was born in the year 1871, at Belfort, a French Town close to the German frontier. He has also several certificates from different firms in which he has worked, all of which only speak highly of his ability etc.

copy enclosed for reference

Klein states he left Home at the age of 16 and led a sea faring life till he came to India. He got married in

a copy of marriage certificate appended

Ceylon and has four children. His wife and children are in Bangalore. His father Jean Maxmillian Bruns, he says was a Captain in the French Cavalry and killed in the war of 1870. He was a Roman Catholic, but became a member of the Church of England on being married, was educated in Paris, does not know the maiden name of his mother, who died when he was very young and he was adopted by one Mrs. Louise Klein. Klein sounds a German name and his account is also German.

He appears to have come to the Kolar Gold Fields from Cochin without having been registered there or anywhere else on the way.

Mr. V. Oberan, Chief Boiler Inspector to the Government of Madras and Mr. C.B. Mc Cloglan, Secretary to the Agent and Manager, South Indian Railway, seem to know him well. He said he had also worked under Mr. W. Hatton M.I.C.E. Chief Sanitary Engineer to the Government of Madras.

The usual statement regarding him is also annexed.
